

Toilet & Shower Accessibility Statement for Pop-Up Campsites run by Caravan and Motorhome Club

At our Pop-Up Campsites, we are committed to creating a welcoming and inclusive environment for all our guests. We strive to provide a positive campsite experience, and we are continuously working to improve our facilities and services.

Current Accessibility Limitations

We recognise that accessibility is crucial for many campers. However, due to the temporary nature and location of our pop-up campsite, we regret that we currently do not have fully accessible toilet or shower facilities on-site. We understand that this may pose an inconvenience for some guests, and we sincerely apologise if this is the case.

Alternative Arrangements

Whilst we don't advertise the campsite as having accessible toilets Holkham Hall itself does offer accessible toilets for day visitors. We recommend that guests requiring accessible facilities consider nearby permanent campsites or accommodations that may better suit their needs. Our staff are available to assist with providing information on local options.

Commitment to Improvement

Your feedback is invaluable to us as we work towards enhancing the accessibility of our pop-up campsites. We encourage you to share any suggestions or concerns, which will help us prioritise future improvements via the feedback form you'll receive after visiting. We are committed to making our pop-up campsite as inclusive as possible, and are committed to offering accessible toilets/showers at future events where possible.
