Motor Breakdown

1. Cover Before You Leave The UK

The following sections provide cover when **your trip** is disrupted before **you** leave the **UK**.

IMPORTANT INFORMATION

Repairs

- **We** do not accept any responsibility for the quality or extent of repairs, it is **your** responsibility to ensure that the work has been carried out satisfactorily and to take all reasonable steps to expedite the repair(s).

Repatriation of Vehicle

- In the event of the **insured vehicle/secondary vehicle** being badly damaged, **the Club** reserve the right to pay the **market value** of the vehicle(s) in cases where the cost of repatriation exceeds the **market value**. However, if **you** disagree to this and request repatriation of the vehicle(s), **we** reserve the right to recover costs from **you** if upon return to **your home country** the vehicle(s) is/are declared a total loss and not repaired.

Replacement/hired Vehicle

- **We** cannot guarantee that hired vehicles will always be available and **we** are not responsible if they are not available. **We** will do **our** best to arrange a vehicle of the same size as **yours**, but we cannot guarantee that there will be tow bars, bike racks, roof boxes, or other accessories included. **You** must meet the conditions of a hire-car company to hire a vehicle. **We** cannot guarantee that motorhomes will be available for hire and where necessary alternative transport and accommodation will be arranged subject to availability.

Knowing your trip would be disrupted

- There is no cover if **you** bought this policy or booked **your trip** (whichever is last) if **you** were aware **your trip** would be cancelled or disrupted. For example, **you** buy a policy/book a **trip** in the knowledge that **your** vehicle needs repair/roadside assistance.

Documentation to validate your claim

- Please refer to the claims evidence to ensure **you** have the correct documentation to validate **your** claim.

Foreign, Commonwealth and Development Office (FCDO) travel advisories

- From time to time the FCDO will advise to only undertake essential travel to a particular destination. If **your trip** is not essential and **you** choose to travel contrary to the FCDO's advice, **we** will only cover a claim if the cause is not linked to the reason for the advice. **You** may be able to travel with full cover if **we** authorise in writing that **your trip** is essential before **you** depart. Please note there is no cover under this policy if other government regulations or actions are in place restricting travel (see Government Restrictions below).

If the FCDO have advised against *all* travel to **your** destination, there is no cover under this policy. **We** recommend that **you** check the latest advice regularly as from time to time it can change, sometimes at short notice. For more information **you** can visit www.gov.uk/foreign-travel-advice.

Government restrictions

- There is no cover available where a cancellation or disruption is the result of a regulation, or action of a government restricting travel such as locking down an area, outlawing travel, shutting borders or revoking visas. This exclusion applies regardless of such restrictions not being in place at the time **you** booked the **trip**. Government restrictions does not include putting health checks or medical testing requirements in place.

Requirement to provide a police report

- **You** must report a break in or attempted theft within 24 hours to the police and provide **us** with a police report.

Where to go if you are making a claim for equipment, fittings or contents

- This policy does not cover **you** for any loss/damage or malfunction of any of **your** appliances/fixtures or fittings that do not impact the safety or mobility of **your** vehicle. **You** should always contact **your** motorhome or caravan insurance provider to see if **you** have appropriate cover with them.
