Site Information

Safety on site

Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, there are alarm bells at service points, the assembly point is shown on the site plan.

Dogs and other Pets

You are responsible for your pet's behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. We know accidents can't always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren't allowed in the reception.

Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

Vehicles and cycles

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that's 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this.

Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

Visitors

Please meet visitors at reception.

Pitches

Barbecues

Barbecues are allowed on site but open fires are not. Please keep them off the grass.

Electric hook-up

The costs of electricity are included in your pitch fee, but please think of the environment by considering your electricity use.

Information/Drying room

Please ask the site staff for the code to the small drying room for outdoor clothes and boots when you arrive. Information on local services and attractions is also available.

Mobile & public telephones

The mobile reception is poor.

Motorhomes

If your pitch is left unoccupied, please leave your motorhome sign on display and unplug cable.

Pitch care

Steel awning pegs are required.

TV reception

There is a booster system on the bollards.

Wi-Fi

Wi-Fi is available. Please visit camc.com/Wifi for more information about our Wi-Fi service.

Vacating your pitch

If you wish to stay after 12 noon on your day of departure, please ask at reception.

Parking Guide

Car and Caravan

Motorhome

To avoid the spread of fire there must be at least 6 metres between facing walls of adjacent outfits, and 3 metres of space in any direction.

To help us keep you safe please park your caravan or motorhome between the two pitch markers. If you wish to park in a different way, please check with Site Staff.
