

# Site Information

## Safety on site

### Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, there are alarm bells at service points, the assembly point is shown on the site plan.

### Dogs and other Pets

You are responsible for your pet's behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. We know accidents can't always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren't allowed in the toilet blocks, laundry rooms or dishwashing areas.

### Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

### Vehicles and cycles

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that's 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this.

Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

## Site facilities

### Ball games

As this is a small site with no open spaces, please do not play ball games etc.

## Pitches

### Barbecues

Because there is a fire risk in the forest, and as instructed by the Forestry Commission, please ask the Site Staff before you light a barbecue. Please also ensure that no damage is caused to the grass and that ashes, when cold, are disposed of in the dustbins. A container of water should be placed near your barbecue in case of fire. Open fires are not allowed on site.

### Electric hook-up

The costs of electricity are included in your pitch fee, but please think of the environment by considering your electricity use.

### Motorhomes

If your pitch is left unoccupied, please leave your motorhome sign on display.

### Pitch care

Please lift ground awning sheets daily if on grass. Please do not empty your hot water tank onto the grass.

### TV reception

The TV reception on-site is fair.

### Vacating your pitch

If you wish to stay after 12 noon on your day of departure, please ask at reception.

### Wi-Fi

Wi-Fi is available. Please visit [camc.com/Wifi](http://camc.com/Wifi) for more information about our Wi-Fi service.

## Parking Guide

### Car and Caravan

### Motorhome

To avoid the spread of fire there must be at least 6 metres between facing walls of adjacent outfits, and 3 metres of space in any direction.

To help us keep you safe please park your caravan or motorhome between the two pitch markers. If you wish to park in a different way, please check with Site Staff.
