Pitch type	Peg colour	Hardstanding	Grass
Standard with awning	White		
Standard without awning	Blue		
Tent with EHU	Yellow		
Economy	Brown		

# Site Information

## Safety on site

### Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, alarm/warning bells are located at all service points, the assembly point is shown on the site plan.

### Dogs and other Pets

You are responsible for your pet's behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. We know accidents can't always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren't allowed in the toilet blocks, laundry rooms or dishwashing areas.

Dogs can be walked on the old railway line (National Cycle Network Route 27).

### Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

### Visitors

Please meet visitors at reception.

### Power cables

Kite flying is not permitted due to overhead cables.

### Rabbit holes

Take care when walking as there are rabbit holes on site.

## Vehicles and cycles

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that's 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this.

Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

## Site facilities

### Toilets and showers

The toilet block is closed for cleaning at the times shown on the doors. Two service toilets will be available during this time. An outside cold shower is at the back of the block for wet suit washing and any other sandy items.

### Play areas

There is a children's play area. Sorry, no ball games are allowed on site.

## Pitches

### Pitch care

Please use breathable ground sheets and lift them daily. Some pitches are sloping. Blocks required.

### Motorhomes

If your pitch is left unoccupied, please leave your motorhome sign on display.

### Vacating your pitch

If you wish to stay after 12 noon on your day of departure, please ask at reception.

### Barbecues

Barbecues are allowed on site but open fires are not. Please keep them off the grass.

### Electric hook-up

The costs of electricity are included in your pitch fee, but please think of the environment by considering your electricity use.

### Wi-Fi

Wi-Fi is available. Please visit [camc.com/Wifi](http://camc.com/Wifi) for more information about our Wi-Fi service.

## Site contact details:

**Emergency out-of-hours number:  
07591 008563**

## Parking Guide

### Car and Caravan

### Motorhome

To avoid the spread of fire there must be at least 6 metres between facing walls of adjacent outfits, and 3 metres of space in any direction.

To help us keep you safe please park your caravan or motorhome between the two pitch markers. If you wish to park in a different way, please check with Site Staff.
